SMAK Attack

Last year we had the SMAK Attack in June between Stoughton, Manor, Arcola and Kisbey. Arcola residents won last year, so let's see if we can do it again in 2018 and keep the trophy here!

We have not set a date yet, but it will be sometime in June again. We will advertise once a date has been set. In the meantime, please do your part and clean up your property, cut your grass, trim your hedges, remove any unlicensed vehicles and clean up any garbage lying around.

Garbage and Recycling

Regens Disposal Ltd. Is now GFL Environmental Inc.

Feel free to contact the Estevan office at 1.306.634.7209 or visit

gflenv.com to learn more about their services

We have copies of the 2018 garbage & recycling calendar at the office. To obtain your copy online; go to www.regensdisposal.ca; scroll down to the very bottom; on the left hand side there is a search screen where you type in your address; it will bring it up then select it; then select **confirm** and it will bring up the recycling calendar.

Please Note: **GFL will NOT take garbage or recycling if the bins are overfilled.** Also, please bring your container off the street and back to the house after it is emptied. Thank you!

Refuse Pick Up

Town employees will pick up tree branches or bagged grass clippings/leaves, on Wednesdays, beginning May 2nd.

We ask that you please put your branches and garden refuse on the curb. Also, please tie or bundle neatly. Because we only pick up on Wednesdays, please don't put it out until Tuesday night or Wednesday morning. Thanks for your cooperation!

Protect your Elm Trees: Don't Prune from April 1 to August 31

To reduce the spread of Dutch Elm Disease, pruning of elm trees is prohibited throughout Saskatchewan from April 1 to August 31 each year. The tiny beetles that spread the disease are most active during this time and fresh cuts can attract them to healthy trees.
